

Contractors Equipment

INLAND MARINE

Whether equipment is used on job sites such as an infrastructure project or stadium construction, Travelers Inland Marine is making a difference for contractors that own, lease or borrow contractor's equipment.

We understand your needs, such as the equipment demands a contractor faces as project work varies. Backed by our financial strength, we grow with you as your operations change. We're paving the way with a Contractors Equipment product to help protect the assets that are important to you.

The Inland Marine Network has the expertise to build the coverage you need and to add services that bring value:

Our Account Executives are located near you so they understand your projects and the associated equipment needs. We have the limits capacity to handle the largest heavy equipment schedules. Speak with us about the advantages of our Contractors Equipment coverage and how its flexibility can work for you:

Additional Coverages*:

- Newly acquired equipment is covered for 90 days up to limit shown in Declarations
- Fire protective systems recharge/refill costs covered up to \$75,000
- Unlisted items are covered up to a specified limit for any one item
- Up to \$2,500 for expenses to expedite repairs
- Pollutant cleanup and removal is covered up to a \$25,000 annual aggregate

*Offered on a per occurrence basis unless otherwise noted.

Other Enhancements:

- No weight of load exclusion
- No exclusion for collapse or collision of booms or jibs
- Items can be covered while waterborne
- Items can be covered while underground or in cofferdams
- Coverage for unlisted equipment provided up to \$2,500 per item
- Coverage available for rental costs for, and covered damage to, replacement items rented while covered equipment is repaired
- Rental payment limits available for legal liability for leased or rented items damaged by a covered cause of loss until item is repaired
- Variety of deductible options for the types of equipment and perils included
- Deductible waiver options for theft prevention devices

Whether you are moving dirt or moving stock, Travelers Inland Marine can handle schedules of all sizes. Heavy equipment? Check. Cranes? Check. Leased equipment? Check. We understand your operations and tailor a product that works for you.

High-rise construction lifts; site preparation work; conveying materials at a job site. Our Inland Marine Network offers services that are geared to our customer's business and can flex as operations change.

Risk Control

Job site visits and management plans for protecting equipment in transit; on a site; or at a facility, yard or storage location.

Specialty Investigations Group

Inland Marine investigators specialize in theft prevention and equipment recoveries. Local presence helps them keep up with regional trends.

Heavy Equipment Claim Unit

This dedicated team provides expert appraisals and consults with dealers, salvors and other experts to get fast resolution on claims to keep your jobs on track.

IM Express®

Ease and convenience for quoting small business or contractor schedules with our online quote issuance tool.

The Travelers Inland Marine Network offers more:

Additional resources include:

Classes on equipment management practices; certified crane training and theft prevention.

BOLO Newsletter providing information on latest trends in theft prevention and other protection for equipment, such as protection during a weather catastrophe.

Alliances with companies that offer products and services to help customers better manage risk.

Protecting the equipment that keeps you operating is a serious matter. Speak with your agent, broker or account executive to learn why we stand out from our competitors in making a difference for our customers. Visit travelers.com/inland for more information.
